- [Lambs at Pasture](#): Daily devotions following the One-Year Lectionary, including weekly readings, a hymn, and a section of the Small Catechism.
- [Liturgy Audio Files](#) from LCMS Worship
- [Lutheran Service Building app!](#) It's designed for church workers, but the free trial is *not* currently time-limited and allows full use of the site, except bulletin-making. AWESOME! For example, search for a Bible verse to see when it shows up in the church year, what prayers and liturgies and hymns are based on it. You can type in a hymn by name or number and then listen to the tune on your computer so you can sing along with it. You can search for a word or phrase and see where it shows up in Scripture, hymns, prayers, and liturgy, etc. WOO HOO! (The search function can be tricky to find on mobile web browsers, but it's in the upper right corner from a computer.)

- Sanctus.org offers daily Scripture readings based on the historic lectionary. Just click on the calendar day and find the readings with psalms and a collect. You can either choose between ESV, NKJV, and KJV.
